PRESIDENT'S MESSAGE

Greetings, friends and family. I'm little over 3 months into my position as Gujarati Samaj of Baltimore's President and I've already seen progress for our organization.

Based on the feedback we have received from our members, we are planning excellent program(s) for 2018. We already had successful Bowling event which was held at Brunswick Zone Normandy Lanes on March 4th. We are also pleased to bring you an excellent Drama from Manpasand Inc. **"BAAP KAMAL TO DIKRO DHAMAL"** on April 29th, 2018 at New Town High School. This drama is directed by Dharmesh Vyas. We will be serving light dinner for this event. Please be sure to join us. We are looking forward to seeing you at this program. Please book your tickets on-line at gsbaltimore.org. For details, see elsewhere in this newsletter. Please visit our website for updates and do provide your email address so we can keep you informed.

We encourage you, especially, our younger generation to volunteer for Gujarati Samaj. Also, visit our website gsbaltimore.org regularly to get up to date information on our events and other information. As a new initiative to go green for the environment and to reduce the cost of printing and postage incurred by the Samaj for the Newsletter, we are also requesting all off our members to send us your updated contact information including your current email address so that we can communicate electronically with you. This will help us notify you of any event such as drama that we can arrange on a short notice. We pledge to keep the membership informed about all the new and exciting things happening in the organization through regular messages on the website or in the Newsletter.

As always, I cannot express enough my gratitude and appreciation to all our participants, volunteers, committee members, their spouses and children, our sponsors and well-wishers. We appreciate the support of our advertisers and we encourage you to please patronize them. I humbly request you all to continue to provide us your support and encouragement.

Some people dream of success while others wake up and work hard for it. Success comes when people work together. Failure tends to happen alone.
